PRETTY HOME WEDDING

THAT OF MR. RALPH HIRAJEN, KINS AND MISS CARR, ASH ANDERSON.

REV. D. M. CLAGETT OFFICIATED

After February 1 Happy You Couple Will Be at Home to Friends on Beautiful Farm Near Longwood.

One of the prettiest and most appropriate home weddings of the season occurred at the residence of the bride's mother, Mrs. Willerson, at 1000 South Vermont ave when at high noon today, her daughter, Carrie Ash, and Mr. Ralph H. Jenkins were united in marriage. Rev. D. M. Clagett officiating in usual impressive manner.

The near relatives of two families and a few invited friends, about fifty in all, attended, and the ceremony and congratulations were over Mrs. Anderson served most sumptuous dinner, which enjoyed by all to the fullest extent.

The parlor was tastefully decorated with the colors of the bride's party, while the hall was similarly decorated with flowers of the bride's party. The presents were numerous and useful.

The bride and groom were seated on adjoining farms and lives are an open book to each other. They were playmates in school and classmates in school. The union is a most appropriate one.

They are from two of the oldest and most highly respected families of the north side of the city. The bride is a lovely girl, with the industry of her mind with a large circle of friends whom she is a great favorite.

The groom is the son of Mr. H. Jenkins and is a man of splendid business acumen, being a most successful stockman, and they combine new life with bright prospects.

Mr. and Mrs. Jenkins February 1, will be at their farm near Longwood.

Among the out-of-towners were Mr. D. M. Crockett, Emma Marr, cousins of the bride; Joe Kennedy, Sweet Springs; Mr. Harry J. Baker and wife and Mrs. W. M. of Longwood.

The Democrat-Sentinel their legion of friends wish them a long life of happy prosperity.

"I know one place where a bottle labeled 'Old Crow' whisky has been set before patrons for months, and yet I have never been fortunate enough to be present when a cork was drawn from a new bottle.

"When you drink bottled goods it's a pretty good idea to watch and see how often the barkeep pulls a cork."

Not So Well Today.
Mrs. E. O. Williams, who is ill at her home with inflammation of the bowels, is not so well today.

GRANDMA ROGERS DEAD

FOR THIRTY-TWO YEARS SHE RESIDED IN THE COUNTY OF PETTIS.

DIED AT MARSHALL LAST NIGHT

Rev. Dr. J. B. Fuller Will Conduct the Burial Service at the Home of Dr. J. S. Rogers Tomorrow at 10:30 A. M.

Mrs. G. A. Rogers, better known as "Grandma" Rogers, for thirty-two years a resident of Sedalia, who was taken ill at the home of her daughter, Mrs. J. M. Patterson, in Marshall, Mo., last Friday, died there at 10:30 o'clock last night, aged 83 years.

Mrs. Rogers was for thirty-two years a resident of Sedalia and was held in the highest possible esteem by all who knew her. She is survived by the following children:

Mrs. Patterson, of Marshall; Mrs. Neet, of Warrensburg; Mrs. C. C. Hardcastle, of St. Louis; Mrs. Rush G. Leaming and Dr. J. S. Rogers, both of Sedalia, and Paul Rogers, of Illinois.

Dr. Rogers was called to Marshall Sunday by his mother's illness, and was with her when she died, returning here today.

The funeral services will be held at the home of Dr. Rogers, 1002 South Ohio avenue, at 10:30 o'clock Thursday morning, the Rev. Dr. J. B. Fuller officiating, and the interment will be in the city cemetery.

Friends of the family are invited to attend the obsequies.

BURIAL OF THOMAS MAY

Remains Were Brought Here From Hughesville Today.

Funeral services over the remains of Thomas May were held in the Christian church at Hughesville at 8:30 o'clock this morning, and while the hour was early the church was filled to its seating capacity, showing the high esteem in which the deceased was held.

The funeral services were conducted by Rev. Edmund Wilkes, of Columbia, who delivered a most impressive sermon.

The remains were brought to Sedalia on the Lexington branch train accompanied by a car load of sorrowing relatives, and taken direct to the city cemetery, where the interment took place.

The following lifelong friends of the deceased acted as pallbearers: Jas. N. McCurdy, T. E. Murphy, G. W. Landers, Robt. Beal, B. F. Ramsey and Jos. Elliott.

IS HE A BANK ROBBER

Man in Jail at Fayette Who Had \$1,200 on Person.

A suspect incarcerated in the jail at Fayette, Mo., is under suspicion of being one of the men who robbed a bank at New Franklin, Mo., recently. It is said that the sum of \$1,200 was found on the man's person, and as he could furnish no authentic information as to how he secured the money, the authorities are investigating.

Laid the Body to Rest.

The funeral of Mrs. Mary I. Donahue was held at Sacred Heart church at 9 o'clock this morning. Rev. Fr. Neiberg officiating. Burial was in the Catholic cemetery and the pallbearers whose names were printed in yesterday's issue of this paper served.

MR. BOTHWELL IS TO GO

HE WILL BE ONE OF DELEGATES AT-LARGE TO REPUBLICAN CONVENTION

CERTAIN FOR WARNER AND HADLEY

Chas. Nagle, of St. Louis, Will Likely Be the Fourth of the Big Four—What the St. Louis Times Thinks of Situation.

Senator William Warner, Attorney General H. S. Hadley and J. H. Bothwell, of Sedalia, will probably go to the republican national convention as members of the "big four" under an agreement which is being worked out by the leaders of the different factions, says Tuesday's St. Louis Times. Definite arrangements have not been perfected, but the steps for harmony have progressed far enough to show that the plan is agreeable to all factions. Charles Nagle, of St. Louis, likely will be the fourth man for the delegation, according to the preferences expressed by those connected with the movement for harmony.

The leaders for peace tacitly have consented to this arrangement. Mr. Nagle's friends are anxious to have him go as the representative for St. Louis because of his extended acquaintance and high standing among national republicans. His influence has always been felt in the councils

Thos. K. Niedringhaus and J. D. Howe, chairman of the republican city committee, to test their strength in a clear-cut fight in their own district—the Eleventh.

This opportunity to settle the question of party standing is sought by Mr. Niedringhaus who expresses confidence in his ability to win under such conditions.

The personnel of the "big four" will be officially determined at the state convention, to be held in St. Louis February 27. Four alternates will be chosen at the same time with eighteen republican electors.

ANTI-SALOON VOTE VOID

THE LOCAL OPTION ELECTION IN LINCOLN COUNTY IN THE YEAR 1905.

COURT HOLDS IT WAS NOT REGULAR

One of Three Weekly Newspapers Did Not Run the Legal Notice the Required Number of Times, Hence Court Decision.

St. Louis, Jan. 8.—A local option election in Lincoln county, Missouri, in October, 1905, at which saloons were voted out, was declared invalid

READ A SPLENDID PAPER

MRS. SALLIE POTTER SNEED, A MEMBER OF THE SOROSI SIG CLUB.

HOW TO BEAUTIFY CITY CEMETERY

This Was the Lady's Subject, and It Was Handled Admirably—"Street Cleaning" at Next Meeting of the Third House.

The criminal court room was about one-half filled Tuesday night when Judge H. B. Shain called the "third house" to order, about one-half of the audience being of the gentler sex.

Mrs. Sallie Potter Sneed, chairman of the cemetery committee of Sorosis, was introduced by Hon. J. H. Rodes and read a splendid paper on "The Care of the City Cemetery."

Mrs. Sneed dwelt upon the subject at length, but any synopsis would do neither the lady nor her subject justice. She stated that some time ago she visited a Missouri city and learned that the ladies there by their own efforts had raised sufficient funds to erect a new fence and entrance to the cemetery grounds, improving the appearance materially. On her return home Mrs. Sneed proposed to the ladies of Sorosis that similar action be taken in regard to the Sedalia cemetery.

The suggestion was heartily ap-

who will be made responsible for everything, see that all work shall be done, and all rules enforced, and a fixed salary be paid the superintendent.

"All fees collected from sale of lots, digging graves, care of lots and all work whatsoever, be paid the board for expenses.

"Have the secretary of the board to communicate with all non-residents and residents holding lots in cemetery and secure from them an annual fee toward keeping their lot in order, and I find many cemetery boards have arranged for a permanent fund from \$30 to \$50, which placed at interest would yield from \$1.50 to \$2

OTHER "OPTION" FIGHTS

JOHNSON COUNTY WILL VOTE ON THE QUESTION ON FEBRUARY 2.

LIVINGSTON COUNTY FEBRUARY 13

Then Will Come Macon County, Where There Are About Fifteen Saloons—Bevier May Take a Separate Vote.

Warrensburg, Mo., Jan. 8.—The county court of Johnson county ordered an election yesterday for February 8 to vote on saloons. More than 1,000 names were signed to the petition. The Anti-Saloon league is organizing for an aggressive campaign.

Chillicothe, Mo., Jan. 8.—Acting on a petition signed by 814 voters the county court called an election yesterday under the local option law to be held in Livingston county outside of Chillicothe, February 13, for the purpose of deciding whether saloons shall be continued in this county. A petition asking for an election in Chillicothe will be presented to the city council at its next meeting, January 20.

Macon, Mo., Jan. 8.—A delegation from the north part of the county came to town yesterday and presented to the county court a petition bearing 1,200 names, asking the court to submit the local option question in the county outside of Macon. A census will be taken in Bevier, the mining town, to see whether it is exempted from voting with the county. There are about fifteen saloons in the county.

THEY VOTED AGAINST IT

Rock Road Proposition Was Defeated Tuesday.

The vote taken Tuesday at Cartwright school house on the proposition to build a rock road from Sedalia to Longwood was defeated by 2260 acres, the vote being taken on the farming acreage adjoining the proposed road.

There is in the proposed district 38,120 acres. The commissioners of the district were T. H. Jenkins, N. H. Gentry and L. T. Kirk, and N. H. Gentry was re-elected yesterday.

The district will have to be reorganized, which will be done in a short time. J. L. Cartwright was clerk of the meeting Tuesday.

STABBING AT SHOPS

E. R. Money Seriously Cut by J. H. Cramer at Noon Today.

E. R. Money, aged 18 years, employed in the Missouri Pacific shops in the boilermaking department, was stabbed three times at the noon hour today by J. H. Cramer, the 17-year-old son of Harry Cramer, of this city, and who is employed in the tool room at the same shops.

It is said some of the boys, among whom were Cramer, attempted to "initiate" Money, when he resisted, and the stabbing followed.

Money's condition is said to be serious. A warrant for Cramer's arrest was issued this afternoon.

Mayor Yankee's Condition.

Mayor W. T. Yankee, of Lamotte, who was kicked by a mule yesterday, rested badly last night, but was feeling easier this morning. The seriousness of his injury cannot as yet be determined by the attending physician.

DUEL IN A PRIVATE BOX

TWO PARTICIPANTS IN CLOSE RANGE GUN FIGHT FATALLY WOUNDED.

THERE WAS WOMAN IN THE CASE

Frank Cochran, a Faro Dealer at Seattle, Wash., Charged That His Wife's Affections Had Been Alienated.

San Francisco, Jan. 8.—Frank Cochran and T. R. Bell, both of whom recently arrived here from Seattle, yesterday afternoon met in a saloon on Sanson street near Market.

They went into one of the private boxes in the place, and, after exchanging a few words, drew their revolvers and began a duel at close range, each man receiving three bullets in his body.

Bell fell to the floor and was apparently dying when Cochran walked out into the saloon, where he was disarmed by the barkeeper.

A moment later he fell over dead. Bell was removed to the receiving hospital in an unconscious condition and it is not believed that he will live more than a few hours.

It is said that the cause of the shooting was the charge made by Cochran, who was a faro dealer in Seattle, that Bell had won his wife's affections. Bell has been employed as a chauffeur.

ALBERT R. FARIS, JR., HURT

His Father Was Once Pastor of Church in Sedalia.

A son of a former pastor of the Fifth street M. E. church, south, in Sedalia, was written of as follows in the Kansas City Star of Tuesday: Alfred R. Faris, Jr., son of the Rev. Alfred R. Faris, of 2315 East Fourteenth street, presiding elder of the Kansas City district of the M. E. church, south, was slightly hurt at St. Louis yesterday, when a motor car in which he was riding collided with a street car.

Miss Bessie Turney, a young woman who was riding with Mr. Faris, was more seriously injured, one of her ankles being broken. Mr. Faris has lived in St. Louis three years. He is connected with the Chappell Oil company.

A GOOD APPOINTMENT

County Court Names C. W. Denny as Highway Engineer.

C. W. Denny, of Green Ridge, was today appointed by the county court as county highway engineer for a term of two years at a salary of \$1400 per year.

The appointment is a good one and will prove a satisfactory and popular one. Mr. Denny won over a field of seven or eight. He is a well known citizen of Washington township, and is a practical road man, having devoted much of his time to superintending road work.

He is a civil engineer by education and experience, and is fully competent to fill the office with credit to himself and satisfaction to the court.

THE BURNED WOOLLEN MILLS

Not Yet Known Whether They Will Be Rebuilt.

M. D. Moore, of Cole Camp, president of the burned Sedalia Woollen Mills, returned home this morning, after meeting with the fire adjusters here yesterday.

The latter will not complete their work until the latter part of this month, and until they do nothing definite will be known regarding the rebuilding of the plant.

The stockholders of the company, however, favor erecting a larger plant than the one burned, and it is probable that such will be the case.

The "W. C. T. U." Met Tuesday.

The Women's Christian Temperance Union met with Mrs. W. M. Alspaugh yesterday afternoon. The only topic discussed was the matter of securing speakers to stir up enthusiasm in the local option campaign to be waged in Pettis county soon. The intention of the organization is to have a speaker for next Sunday.

THE SCORE IS OVER.

Elsewhere in the Democrat-Sentinel today is an announcement from the Sedalia Clearing House association, composed of all the financial institutions of the city, saying that cashiers' checks issued during the recent money stringency will be cashed up on presentation.

This announcement places the official seal upon what has been realized from the first among the business men of the city, that the panic in so far as Sedalia was concerned amounted to but very little. From the very first the entire community had such confidence in the integrity of the local banks and bankers and in their ability to meet all legitimate demands made upon them, that cashiers' checks passed current everywhere, the same as United States notes or gold coin.

All the merchants in the city advertised conspicuously that they would be glad to take up these checks, and did take them up without any fear or hesitation. The people themselves were also loyal in the emergency, wage earners taking their money in this form without the slightest complaint or hesitation.

Of course, there were some few naturally pessimistic ones, always anxious to croak, who talked a great deal and tried their utmost to arouse a spirit of suspicion, but they failed in every instance and harmed only themselves in their efforts to create a feeling of distrust and uneasiness.

The financial stringency at first aroused a little fear that it might grow more extensive, but after a day or two it was practically unknown so far as it affected local conditions. As a matter of fact, it was really a good thing for the community, as it cemented the confidence that has always existed between all classes more strongly than before, and served to bind the entire local world of business men and workers together so firmly that it is certain to have a most beneficial effect upon the growth of the city and its industries in the future. The bankers themselves realize this and appreciate the loyalty and good faith exhibited by the people at a time when it was most needed, and the people rejoice that nothing occurred to mar the perfect harmony of existing relations.

While the announcement that the checks will be redeemed will be received with pleasure by every one, it will only be because it is an evidence that things have resumed their normal conditions; but as far as creating more confidence it was not necessary, because that confidence has already reached the highest point, and has never suffered the slightest impairment. Sedalians can well congratulate themselves

upon this strong evidence of the spirit of pulling together that has been so splendidly shown during all this time.

"All's well that ends well."

LIQUOR QUESTION IN CALIFORNIA

The Los Angeles Sunday Times recently had quite a lengthy interview with Adolphus Busch, of St. Louis, who is spending the winter in California. Commenting on this interview editorially as well as the liquor question generally, the Times says:

The city council is considering the question of raising the saloon licenses. It would be well for the councilmen to remember that while high license is all right in its way, it is by no means sufficient to secure a better class of saloons, for the simple reason that the man who robs his customers or doctors his liquor can much better afford to pay \$500 a month than an honest saloon keeper who sells pure stuff—so far as he can get it—can afford to pay \$200. What should be done is to make a careful inquiry as to the character of a man to whom a liquor license is granted. As it is, no attention whatever is paid to this important question, except once in a while, when a place becomes altogether too notorious.

In Germany the "Herr Wirth" is one of the most prominent and respected members of the community. Consequently the evils which attach to the liquor traffic in America are there lacking, or rare.

By acting along these lines much might be done to lessen the evils which now attend the liquor traffic. So long as the business is licensed by the federal and local authorities, it is only right that those authorities should exert themselves to see that it is carried on in such a way as to work the least injury to the public.

By the way, Adolph Busch, the St. Louis brewer, said some sensible things in an interview with the Pasadena correspondent of the Times, published in the Times on December 13. Mr. Busch declared that prohibition has always been an evil in every state where it is a law, encouraging the use of whisky and other high intoxicants, while it decreases the sale of light wines and light beers. He added:

"From the standpoint of temperance, the greatest foe of drunkenness is good, light beer. I can show from my books and records scores of communities in which we have practically driven the sale of whisky out of the saloons and hotels and that every year the volume of traffic in high intoxicants is growing less. On the other hand, I can show that in every state where there is a prohibition law the sale of whisky, and that of a bad quality, is increasing year by year."

Another great feature that is overlooked in this battle for temperance is the sale of patent medicines and in proportion to the population there are more purchasers of patent medicines made up of alcohol at 100 proof or over, with a little flavoring in the mixture, among these temperance women and men than in any other class."

There is no doubt but that well-meaning but misguided people have done much to retard the spread of true temperance by their intemperate efforts to force upon states and communities sumptuary laws, of which a large majority of the community do not approve, and which, therefore, cannot be effectually enforced.

Such men as Francis Murphy and his son, William, who has taken up his work in Los Angeles, accomplish vastly more for the cause of temperance than all the professional political prohibitionists have in the past, or ever will in the future.

SOCIAL SESSION OF ELKS

A DELIGHTFUL PROGRAM CARRIED OUT AT THE HOME LAST NIGHT.

ATTENDANCE WAS QUITE LARGE

Was Late Hour When the Festivities Were Concluded and the Elks Were Voted the Best Entertainers on Earth.

The Elks' lodge gave the second of its delightful social sessions Tuesday night at its beautiful home at Third and Lamine streets.

Mr. R. C. Combs and Dr. W. J. Ferguson received the guests, and Mrs. W. D. Steele arranged the musical program, which was very pleasing, as was shown by the applause of the audience.

Mr. J. L. Babcock made an address of welcome to the lodge members and their ladies, in which he briefly stated that the new home was built as much for the ladies as it was for the members, the old lodge rooms being entirely inadequate to entertain as the Elks desired.

Mr. Babcock also stated that the object of these sessions was to hold the interest of the ladies, whose substantial aid they could not afford to be without.

The following musical program was then rendered:

Mr. Moreho, who received his musical education in Mexico City, gave a piano solo and responded to an encore.

Vocal solo—George Ware.

Vocal solo—Lillie Brandt.

Vocal solo—Mrs. Wareham Baldwin.

Piano solo—Miss Florence Shultz.

Each of the above numbers was a gem and won merited applause.

The program closed with Mr. Barker, who in his original song and dance sketches, kept the audience in an uproar of laughter the whole time he was on the floor. One sketch was particularly good, the song of "Yankee Doodle Boy" and dance combined.

The guests then retired to the adjoining rooms, where there were served good things to eat and drink, which the Elks always keep on tap.

The entertainment will long be remembered and was one of a number the Elks are to give during the winter season. These are exclusive in a way, as only members in good standing and their families and invited guests can enjoy them, so it certainly is worth one's while to be an Elk.

At a late hour the session broke up, all saying the Elks are the best entertainers on earth.

THE CHARGE OF JUDGE W. H. WALLACE TO KANSAS CITY GRAND JURY.

HE WOULD KEEP 'RED INK' DOCKET

Alleges That Crime Is on Increase, That Human Life and Property Are Not Safe and Many Other Things.

Kansas City, Mo., Jan. 8.—Judge Wallace, in delivering instructions to the grand jury yesterday, said, in part:

"If there ever was a necessity in Jackson county for a grand jury comprised of men of courage and sterling honesty, it is now. There never was a time in the history of the county when there was so much crime and so much disregard and defiance of the law.

"When men cease to have fear or respect for the law, then the criminals multiply and a wave of crime sweeps over the community like we have in Kansas City today.

"Crime is on the increase; human life and property are not safe; your life and my life and the lives of your wives and children and my wife and children are not safe. The spirit of lawlessness is abroad, and it is because men have gone out and said they will defy the law and prove its unconstitutionality.

LEAP YEAR GIRL SCORES

Proposes Elopement and is Quickly Accepted.

Philadelphia, Jan. 8.—Taking advantage of a woman's leap year rights, Miss Ethel Mae Parsons proposed to Thomas L. Rogers and dared

him to propose to her and have the knot tied. Some time Mr. Rogers had desired propose marriage to Miss Parsons but could not muster sufficient courage, so he accepted the challenge on the spot.

THE TRESTLE COLLAPSED

FLORIDA LIMITED FELL FORTY FEET INTO GEORGIA CREEK BED.

FIFTY ARE INJURED; THREE FATALLY

The Engineer Died of His Hurts Soon After the Accident—Coaches Were Badly Wrecked—No Warning Whatever.

Dallas, Ga., Jan. 8.—Fifty persons were injured, three of them fatally, yesterday afternoon, when the third section of the Florida limited, carrying tourists from Ohio and other western states, was hurled to the bottom of a deep gulch by the collapse of the Copper mine trestle, midway between Dallas and Hiram, Ga. Engineer Edwards died of his injuries shortly after the accident.

The train was going at a high rate of speed. The engine had almost reached the other side, and the whole weight of the train was on the trestle when the timbers gave way.

The trestle seemed to break at all points at the same time, and the whole structure went down with a mighty crash, a distance of forty feet.

The engine, six Pullmans and a diner were tossed through the air like feathers. One car was thrown thirty feet, and presented the appearance of junk.

The first two Pullmans remained coupled when they hit the bottom of the gulch, and the rear ones were connected when they plunged into the little stream. But the others, and the engine took their own course.

The coaches were scattered a distance of sixty-five to seventy yards. One every side was the wreckage. One Pullman fell from the trestle to the embankment on the other side, and from it were taken six badly injured persons, several of whom may die.

The diner was slashed in two as cleanly as if a knife had done the work. It is considered remarkable that any of the passengers escaped death.

In the engine when the crash came were Fireman Reese Morris, Engineer Jim Edwards, of Atlanta, and Chief Engineer Knapp. Edwards was fearfully mangled and internally injured. Knapp was suffering from mangled feet and the fireman was also hurt.

"modernism" will be inaugurated at the meeting here next August of the American Federation of Catholic Societies.

Plans for the great gathering are already under way and it is expected that leading dignitaries of the church in this and other countries will attend.

What are termed modern errors of thought and conduct, including the agnostic and rationalist spirit, the higher criticism, socialism and divorce will be the subjects of the most vigorous attack ever made by the Catholics of America.

WAGE SCALE IS REDUCED

Company Slices \$1 Per Day From Pay of Its Employees.

Goldfield, Nev., Jan. 8.—The Nevada-California Power company, which furnishes light and power to all the camps of Southern Nevada and supplies three-fourths of the mines of the district with operating power, yesterday announced a new scale of wages to go into effect January 10. The scale provides for a minimum scale of \$6 per day, or \$1 per day less than the former scale.

The company also announces that it will conduct its plant upon the open shop plan and will employ union and non-union men at its discretion.

What will be the result of this cut in wages is not yet known.

A telegram was received from the war department yesterday authorizing the renting of the Merchants' hotel at Columbia, a suburb of Goldfield, for army barracks.

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble—which are belching of gas, nausea, sour stomach, headache, irritability and nervousness. These are warnings that the stomach has been mistreated; it is doing too much work and it is demanding help from you. Take something once in a while; especially after meals; something like KODOL For Dyspepsia and Indigestion. It will enable your stomach to do its work properly. Sold by Arlington Pharmacy.

INDIANA SWINE BREEDERS

About 350 Members Attending Annual Convention.

Indianapolis, Ind., Jan. 8.—A large proportion of the 350 members of the Indiana Swine Breeders' association are in attendance at the annual convention, which began its thirty-first session in the state house this morning.

The address of President W. T. Farquhar opened the meeting, and was followed by a discussion of various matters connected with the breeding of pure bred hogs. A great banquet will be held by the breeders at the English hotel tonight.

A new organization was formed today by the Mule Foot Swine Breeders' association, the members of which are engaged in breeding a new variety of hogs. The new breed of swine gets its name from its solid foot, and is said to have a general development along hog bacon lines, a special qualification very desirable under present conditions of the hog market.

The Indiana Live Stock association will begin its annual convention in the state house tomorrow.

COMING OF THE STORK

Causes Alarm on the Part of Empress Alexandra.

St. Petersburg, Jan. 8.—It is again stated on good authority that the stork is expected to arrive at the imperial palace.

The Empress Alexandra has been greatly weakened by an attack of la grippe and the results of a severe strain to reduce her weight, and fears are entertained that she will be unable to pass through the ordeal safely.

Her illness has aroused great concern in royal circles. The imperial physicians have been in almost constant attendance upon the czarina for several weeks.

How to Avoid Appendicitis. Most victims of appendicitis are those who are habitually constipated. Foley's Orino Laxative cures chronic constipation by stimulating the liver and bowels, and restores the natural action of the bowels. Foley's Orino Laxative does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. Arlington Pharmacy.

Concentrated oil of pine is the result of many years experimenting by one of Philadelphia's foremost doctors who after endless research at last secured a truly soluble oil of pine, so make sure to get the real thing. It also makes an excellent salve to be applied externally on the chest or bruised parts. For this purpose a teaspoonful of the raw oil is added to a saucerful of hot lard and applied hot.

Party for a Little Boy.

Mrs. W. J. Crouch, of 706 West Broadway, entertained a company of little folks very pleasantly last evening, the occasion being the fourth anniversary of the birth of her little son, Master Herbert Crouch. A very pleasant evening was spent, and refreshments of cheese, sandwiches, pickles, cocoa, ice cream and cake were served, the latter being adorned with four candles. Those present were: Rosalie Lamy, Estelle Duval, Catherine Ware, Mazie Ramsey, Louise Van Antwerp, Tom Cloney, Stanley Trader and Jack Crawford.

GRAFT AT ST. JOSEPH, MO.

HEAD OF LIGHT PLANT ACCUSED OF FALSELY OBTAINING MONEY.

FOREMAN PLACED UNDER ARREST

Jury Asserts Mismanagement Permitted Employees to Carry on Graft—Dead Men on Pay Rolls, It Is Claimed.

St. Joseph, Mo., Jan. 8.—Walter B. Stewart, superintendent of the Municipal Street Lighting plant surrendered today to the sheriff. Stewart is charged with falsifying pay certificates.

Charles A. Waller, foreman, was arrested last night for embezzlement and is in jail.

Ford Mays, a saloon keeper, charged with forging time slips bought from city employees, is also under arrest.

Ben B. Bradford, a former city employee, was arrested today, charged with collusion in the alleged frauds.

St. Joseph, Mo., Jan. 8.—The grand jury yesterday finished its long session of more than two months, and returned forty-seven indictments, among which were those against W. C. Stewart, superintendent of the lighting plant; C. A. Waller, line foreman, and several other employees.

Stewart, who has been connected with the concern twenty-one years, has been indicted on the charge of obtaining money by false pretenses and on false certificates. Waller, also an employee, is under arrest. Stewart will be placed under arrest at once.

In its report, the grand jury states that men long dead are still on the pay roll. In one instance, a school boy, who worked a few hours at the plant Saturdays, was drawing \$50 a month. It is charged.

The jury states that St. Joseph has been defrauded out of thousands of dollars. Padded pay rolls and the disposal of junk and other salvage at the plant, recently rebuilt at a cost of \$75,000, are charged.

The graft has been made possible, the grand jurors declare, by inefficient supervision and management.

There are two charges against Stewart, seven against Waller, who is in jail, being unable to give a \$7,000 bond, and seven against Ferdinand Mays, a saloon keeper, who is charged with forgery in connection with cashing time slips. Steps have been taken by the council to suspend all city employees under indictment.

Don't fail to attend the closing out sale of pianos at J. N. Taylor's.

S. E. Spencer, wife and daughter, Miss Elen, left this morning for an extended visit at San Antonio, Texas, for the benefit of Mrs. Spencer's health. At Dallas the family will be joined by Miss Christine Spencer,

who has been visiting in Dallas, and she will also go to San Antonio for the remainder of the winter.

PLEADED NOT GUILTY

Heinze, Copper King, Arraigned in Federal Court.

New York, Jan. 8.—F. Augustus Heinze, who was arrested yesterday, charged with over certification of checks while president of the Mercantile National bank, today entered a plea of not guilty when arraigned in the United States court. Through his counsel Heinze reserved the right to withdraw the plea and demur to the indictment any time before January 20th. The bail bond of \$50,000, which Heinze furnished after his arrest yesterday, was allowed to stand.

A BRAKEMAN WON AND LOST

Court's Liability Decision Came After Damages Were Awarded.

Omaha, Jan. 8.—The Union Pacific railroad paid Frank C. Catlin, a brakeman, \$10,000 in settlement of a personal injury suit brought by Catlin on account of injuries received several months ago in a wreck.

Catlin was a brakeman. The settlement was made as a compromise on a \$50,000 claim and the railroad attorneys agreed to settlement an hour before the supreme court of the United States decided the employers' liability act invalid.

GOT EVERYTHING IN BANK

Blew Open the Vault and Made Clean Getaway.

Ottawa, Kas. Jan. 8.—Robbers early today wrecked the safe in the state bank of Quenemo, Kas., near here, with dynamite and escaped with its entire contents, estimated at between \$7,000 and \$8,000.

The robbery is believed to have been committed by four men.

READ A SPLENDID PAPER

(Continued From Page 1.)

per year to care for their lot and relieve the owners of the anxiety and trouble of sending every year their money at instructions.

"I have recently heard of three parties who wish to leave in their will a sum of money for the care of the cemetery, and now that we have the permanent organization, there is some one in authority to receive and hold all permanent gifts. Other gifts will be solicited from those living who wish to see improvements made.

"It will take a great deal of time to bring about the results we wish, but in time we hope to see a receiving vault built, where friends sent from a distance to be buried here can lie in state until time for burial, or if storms should interfere a body could be taken to the receiving vault to await a suitable time for burial.

"Another recommendation is that a main entrance to the cemetery be at the south side, that a viaduct at the Washington street railroad crossing

be made, so that the course taken from the city be north on Washington to Moran, east on Moran to the point designated on the south side, where the women of our clubs and the city hope to erect by their own efforts a stately and imposing entrance gate and which would present toward the city in approaching a much more

pleasing appearance than at any other side."

The paper was most cordially received, and the discussion that followed was led by Frank L. Farley, his remarks being to the point and very entertaining.

Others who spoke on the subject were Judge Shain, Alderman DeJarnette and Alderman Winner.

"The right of the city council to pass ordinances regulating the prices charged by the public utilities," was to have been discussed by Hon. G. W. Barnett, who was unable on account of illness to be present.

The discussion was opened by H. B. Shain, who accused the Bell Telephone company of unfairness and of showing discriminations among its subscribers as regards rates. The chairman and Councilman Winter indulged in a wordy war as to the right of the council to interfere.

Lee Montgomery declared that unless some one present had made a thorough investigation of the right of a municipal government to interfere in the matter of regulating the public utilities all the arguments that

could be offered were merely talk.

Judge Shain announced that the matters to be discussed at the next meeting of the "third house," to be held February 4, will be "Cleaning the Streets" and "Street Repairing." So-rosists was asked to furnish a paper on street cleaning.

A MEETING IN SAVANNAH

THE 16TH ANNUAL SESSION NATIONAL LEAGUE COMMISSION MERCHANTS.

GOVERNOR HOKE SMITH'S WELCOME

A New Office May Be Created, the Incumbent to Be Salaried, the League Wherever Required.

Savannah, Ga., Jan. 8.—The sixteenth annual meeting of the National League of Commission Merchants opened this morning at the DeSoto hotel and will continue in session through tomorrow. Delegates are here from all the cities where the league has members, including Baltimore, Boston, Buffalo, Chicago, Cincinnati, Cleveland, Columbus, Denver, Detroit, Grand Rapids, Indianapolis, Kansas City, Louisville, Memphis, Milwaukee, Minneapolis, Mobile, New Orleans, New York, Norfolk, Omaha, Peoria, Philadelphia, Richmond, St. Louis, St. Paul, Toledo and Washington.

Governor Hoke Smith is the principal speaker on the program. Addresses on topics connected with the commission business will also be delivered by several prominent members. Reports were presented by the officials and officers will be selected for the ensuing year.

The present officers are Charles A. Muehlbrunner, of Pittsburgh, president; Wilmer Seig, of Milwaukee, vice president; and Adelbert D. Guil, of Buffalo, treasurer. The league includes in its membership 320 of the leading commission firms of the country, a gain of fifteen in the last year.

A matter that is being pushed by the commission men of New York, Cincinnati and other cities is the creation of a new office in the league, the incumbent to be a salaried man competent to represent the national body wherever required, either in Washington or New York, on transportation matters.

After the close of the convention many of the delegates will make a tour of inspection through Georgia, Florida and the Carolinas, looking into the early crop situation.

The western members are especially interested in the investigation of express companies by the interstate commerce commission, under authority of a resolution passed by the United States senate on March 2 last.

It is alleged that the express companies, through their agents, have been engaged in buying, selling and handling on consignment fruits, vegetables and oysters entering into interstate commerce.

Hearings have already been held by the commission in Omaha, Kansas City and Chicago, and an additional hearing is scheduled for Dallas, Tex., this week. The correction of freight and refrigeration rates is also an important subject before the convention.

"THREE WEEKS" IS OBSCENE

Mrs. Elinor Glyn's Book Fails in Official Postoffice Scrutiny.

Washington, Jan. 8.—Assistant Attorney General Goodwin of the post-office department, who is the authority of the admissibility of matter to the mails, has decided that Mrs. Elinor Glyn's book, "Three Weeks," is obscene.

"I found the book decidedly obscene," he said. "However, we have no evidence that the publishers of the book are forwarding it through the mails. Each postmaster, according to the law, can decide a book obscene and suppress it. If there is any question in his mind, the opinion of the attorney general is asked."

Inasmuch as Judge Goodwin has declared the book to be unfit for circulation by Uncle Sam, it is practically certain that postmasters detecting copies of it in the mails will now refuse delivery.

Notice to Stockholders.

Notice is hereby given to the stockholders of the Sedalia Undertaking Co. that an annual meeting for the purpose of electing directors for the ensuing year will be held at the office of the company, 120 South Ohio street, Sedalia, Mo., on Monday, January 13, 1908, at 4 o'clock p. m.—W. E. Staley, Manager.

Very Important.

"Everybody nowadays seems to be wearing uniforms," said Mr. Sirus Barker, querulously. "The army, the navy, the police, the railroad men, the theater employes—everybody has some kind of special costume." "That's so," answered the policeman to whom he was relating his troubles. "Well, what I want to know is this: What's the use of having any plain citizens' clothes at all?" "Great Scott, man! There must be something for the detectives to disguise themselves in."

Thousands Have Kidney

Trouble and Never Suspect It. Prevalency of Kidney Disease.

Most people do not realize the alarming increase and remarkable prevalence of kidney disease.

While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who content themselves with doctoring the effects, while the original disease undermines the system.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

TWO WOULD-BE SUICIDES

Man and Woman Prevented From Killing Themselves in Clinton.

Clinton, Mo., Jan. 8.—Two unsuccessful attempts at suicide were made here yesterday.

Lulu Smith, 23 years old, tried to drink carbolic acid after a family quarrel. Her mother struck her arm and prevented her drinking the poison. The girl was burned on one arm.

The second attempt was by William Payne, of Henry county. He is in jail here on a charge of carrying concealed weapons. His relatives had refused to help him. He sharpened a piece of a match safe on the stone floor and tried to cut his throat. The jailer stopped him.

JURY SELECTING IS SLOW

May Take Till Next Week to Complete—Defense Seeks Surprise.

New York, Jan. 8.—Predictions were freely made at the beginning of this, the third day of the Thax trial, that a jury will not be secured before the middle of next week. There were but three sworn jurors in the box when court convened this morning.

The defense sprung a great surprise today by announcing that it had issued subpoenas for several of the expert witnesses who testified for the prosecution at the first hearing a year ago, and who, when District Attorney Jerome applied for a lunacy commission, made affidavit that in their opinion Thax at the time of the inquiry was suffering from an incurable form of insanity.

At noon there were four sworn and six provisional jurors in the box.

Many noteholders were present at the meeting.

Bought Furniture in Sedalia.

It has been exemplified again that Sedalia merchants sell for less money than the metropolitan stores. This fact was brought out at the Price Furniture Co's. store yesterday when Mrs. C. M. Niles, who is now a resident of Kansas City, placed an order for a suite of old mission furniture to be shipped to her home in the Kaw River City. The suite consists of eight pieces, is of the very best material and is superior in every way to those offered in Kansas City for even greater sums.

Arguing the Jennings Case.

As the Democrat-Sentinel goes to press arguments are being made to the jury in the case of Jim Jennings, charged with robbing Edward English, of Warsaw.

John Wells, who is charged with complicity in the crime, was the first witness on the stand today. All other evidence introduced by other witnesses, having been furnished by Wells, was not permitted to be introduced.

RUMBLINGS OF THE RAIL

THE BOSTON AND ALBANY RAILWAY NOW GIVES NEWS TO THE PRESS.

COACH, CAB AND CABOOSE ITEMS

Matters of Interest Picked Up From Various Sources for the Benefit of Democrat-Sentinel Readers.

City editors in cities along the Boston and Albany railroad have marvelled recently over the change in the policy of the railroad. Until a few weeks ago it was impossible for a newspaper man to get any information from officials of the railroad regarding accidents, changes in management and other legitimate news. If a wreck occurred some distance from a news center the papers had to wait until a reporter could get there and telephone something on it.

But now things are different. When there is a wreck on the road the general manager causes a telegram giving the chief details to be sent to all offices along the line where there are newspapers. From these offices the dispatch is telephoned to the newspapers.

This was done in Springfield twice within the last two weeks, once late at night when it would have been impossible for the papers to send men to the scene of the accident, and again in the afternoon, when an express from New York to Boston was wrecked near Worcester.

It seems as if the management of the road, which has been under severe criticism for several years, has awakened to the fact that the papers will print the news anyway, whether the company helps or hinders them. The road has recently appointed Walter E. Adams, former city editor on the Boston Herald, its press agent. Possibly Mr. Adams' practical knowledge of the newspaper game may have something to do with the road's policy.

Veteran Engineers Dead.
A strange coincidence exists in the deaths Monday night of Engineers P. D. Collins and Thomas Keefe, of the Chicago and Northwestern, veterans who entered the service of the company at Fulton, Ill., and who were retired on pensions last October.

Keefe had been with the company for fifty years, 42 years as an engineer on the Iowa lines, and Collins had been for thirty-eight years on the Galena division.

The men were lifelong friends, and during the last ten years of their railroad careers ran the same trains, Nos. 13 and 14, on their respective divisions.

The death of one was due to internal cancer, Keefe dying suddenly a few minutes after the receipt of the intelligence that his old friend could survive him but a few hours.

Keefe was a member of the Brotherhood of Locomotive Engineers forty years and treasurer of the local division for thirty years.

Alton Case Appealed.

Another Kansas City rebate case has been appealed to the United States court. Attorneys for the Alton yesterday filed with the court papers in an appeal from the judgment of the lower courts through which the railroad company was fined \$10,000 for granting rebates on meat products shipped by the Schwartzchild-Sulzberger company.

In this case John N. Faithern, vice president, and Fred A. Wann, general freight agent of the railroad, also were fined \$10,000. They are included in the appeal.

Is Harry Married?

Harry Rankin, relief agent for the M. & T., is visiting friends at Detroit, Mich.

Street rumor has it that he was secretly married there to Miss Grace Sage, a former Sedalia girl, but his relatives here know nothing of the marriage, if it occurred.

Birth of a Son.

S. C. Carter, chief clerk in the M. & T. telegraph department, and his good wife, are rejoicing over the arrival of a son at their home, 1003 South Osage street, at 10 o'clock this morning. Mother and child are reported to be getting along nicely.

Hospital Arrivals.

Following are new arrivals at the Katy hospital:

W. M. Dunn, coal heaver, Denison, Tex.

Frank Armstrong, storeroom laborer, Parsons, Kas.

C. O. Fyle, machinist helper, Parsons, Kas.

B. Mallia, switchman, Hannibal, Mo.

J. M. Shook, carpenter, Parsons, Kas.

Automatic Couplers.

H. J. Starkey, a Missouri Pacific car repairer, is ill with indigestion. John Evans, special agent for the Katy, went to Fayette today on business.

O. G. Yancey, a Katy civil engineer, went to New Franklin today on business.

Newman Ellmore is breaking in as motorman on the East Thirteenth street line.

Katy train No. 5 was run in three sections this morning, consisting of twenty-nine cars.

W. B. Shirk, Missouri Pacific commercial agent, went to Boonville today on business.

A. P. Morrison, division engineer for the Missouri Pacific, went east on No. 22 today.

Route Agent H. L. White, of the Pacific Express Co., went to Holden today on business.

Thomas Lewis, a Missouri Pacific car repairer, is laying off on account of a contused left side.

Percy Little, a Katy shopman, who is ill with pneumonia at the Katy hospital, is improving nicely.

J. C. McCoy and Z. O. Hendrick, who have been ill at the Katy hospital, were discharged yesterday.

Col. A. C. Miner, traveling passenger agent for the Katy, left at noon today for St. Louis on business.

C. S. Taylor, route agent for the American Express Co., went to Jefferson City this morning on business.

C. C. Harvey, traveling freight agent for the M. & O. railway, was here from Kansas City today on business.

W. H. Faust, a Missouri Pacific train auditor, returned to St. Louis at noon today, after visiting friends in this city.

N. P. Kemp, special agent for the Missouri Pacific, returned on the noon train today from a business visit at points west of here.

W. F. Haugen, supervisor of bridges and buildings for the Missouri Pacific, went to Jefferson City this morning on business.

W. Renet, a Missouri Pacific boilermaker; H. C. French, a fireman, and C. W. Holiday, a porter, are laying off on account of influenza.

W. H. Hall, assistant superintendent of telegraph for the Katy, and J. A. Johnson, signal engineer, returned this forenoon from a business visit at Rocheport.

There is a vacancy on Missouri Pacific Joplin division trains Nos. 209 and 210 in place of the late Conductor W. T. Bulkeley, which will be filled not later than Jan. 17.

M. C. Burns, foreman of the water service of the Missouri Pacific, who has been laid up at his home, suffering from injuries received in being thrown against the side of a bunk car, is now able to be out, and expects to be able to resume work in a few days.

W. F. Wagner, a former Missouri Pacific machinist here, now working in the Frisco shops at Springfield, Mo., who has been visiting relatives

at Fort Madison, Ia., is here today visiting with friends and leaves tonight for Springfield.

DRAMSHOP LICENSE LOSSES
Local Option Closes Up Over 200 Missouri Saloons.

Jefferson City, Jan. 8.—Excise Commissioner Mulvihill yesterday turned over to State Treasurer Gmelch \$7,524, his December collections of dramshop fees in St. Louis in excess of the salary allowed him.

The collections for a corresponding period in 1906 were \$1,740, consequently there is a gain of \$5,784. This is doubtless due to the method of making collections, rather than to an increase of dramshop licenses.

While the returns on dramshop licenses will not be made to the state auditor until February 1, it is well known that there will be a heavy loss over 1906, and this loss will also be noted in St. Louis.

In the country districts, more than 200 dramshops have been voted out of existence by the adoption of local option.

TO FIGHT TUBERCULOSIS
Mrs. Folk the President of a Society Organized in Cole County.

Jefferson City, Mo., Jan. 8.—The Cole County Society for the Prevention and Treatment of Tuberculosis was organized here yesterday afternoon with Mrs. Joseph W. Folk president, and Mrs. C. P. Hough, secretary.

This is the beginning of a movement to organize a society of this kind in each county of the state.

The meeting here was addressed by Dr. George Homer, ex-health commissioner of St. Louis; Dr. William Porter, of St. Louis, member of the board of managers of the state consumptive hospital in Mount Vernon, and Dr. Bond, the present health commissioner of St. Louis.

Several Indiana Men Want to Go to the Chicago Convention.

Laporte, Ind., Jan. 8.—If George Ade gets a seat in the republican national convention in Chicago next summer, as a delegate, he will have to do some hard campaigning.

Ade claims Kentland, which is in the Tenth Indiana district, as his home, and a few days ago, when he admitted that he would be happy to be elected a delegate, he thought it would be easy.

However, since then Will R. Wood, a Lafayette politician, has announced his candidacy and the understanding is that Representative Edward D. Crumpacker would like to go. The contest may prove to be interesting.

Why Be Lacking in Grace?

TOTS FLIRT WITH DEATH

Burned Throwing Handfuls of Giant Powder Into Bonfire.

Trenton, Mo., Jan. 8.—Several children, in a yard at the home of Ben Agee, a local contractor, played with death yesterday afternoon and one of the tots, Mr. Agee's 7-year-old son, is badly burned as the result of a powder explosion.

The children found 100 pounds of giant powder in a can in the yard, and removing the lid were throwing the explosive into a bonfire, as they said, "to watch the fireworks."

When young Agee stepping close to the fire, cast a handful of powder into the flames a slight explosion resulted and his clothing became ignited.

A workman employed around the place extinguished the lad's burning clothing.

It is likely that the children's play would have resulted in a terrible accident had they continued as several afterward stated they were about to carry coals from the fire to the powder can and have a "big fireworks" to end their prank.

The Agee child, while severely burned, will recover. He will probably carry permanent scars as a result of the accident.

THIS IS WORTH REMEMBERING.

PREACHED STRONG SERMON

The Rev. Andrews at Fifth Street M. E. Church, South.

The revival at the M. E. church, South, promises to be a great religious awakening. Rev. Andrews preached a strong sermon last night on "David's Prayer for Righteousness."

One man without special invitation came to the altar and was happily saved.

Evangelist Andrews believes in a thorough conversion and preaches the old gospel of faith and repentance with power. His morning sermons to Christians are especially helpful. Mr. Andrews is an entertaining speaker, a cultured, Christian gentleman who is entirely free from the objectionable pranks of many evangelists, and his earnest words come from a heart full of love to God and man.

Prof. James' solos are increasing in sweetness and power, and last night's solo, "The Precious Name of Jesus," was especially beautiful.

The services have grown in interest and power from the first, and each one is better than the one before. Come tonight.
